Senior Steering Committee Leads the Way

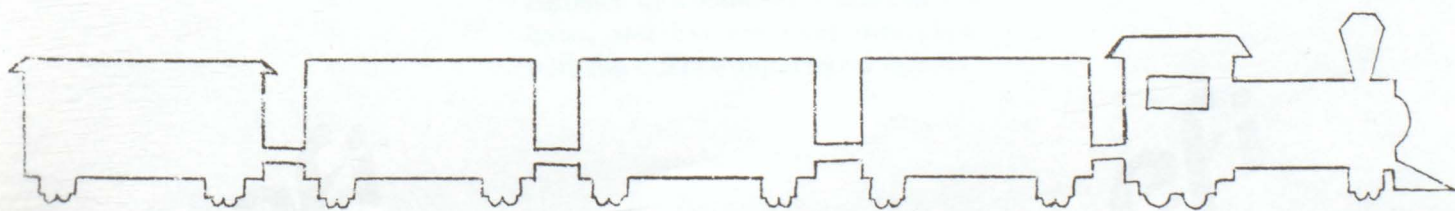

Fourth Row: Tom Konik, Chris Hetico, Kathy Kota, Jamie Johnson. Third Row: Marion Bowman, Kim Anderson, Hope Gibson, Heidi Wininger, Rosemary Martin, Lisa Doubles, Connie Danhausen. Second Row: Cathy Braden, Steve Maday, Marcie Cummings, Helen Ryan, Debbie Christick, Brad Socha, Nancy Bennett, Wanita Bright. Bottom Row: Wendy Hiem, Lisa Stevens, Kim Hize, Brian Saffee, Melanie Leavitt, Mellisa Flynn, Mark Gressell.

A train needs a strong engine to pull the load. It also needs many railcars to make the trip worthwhile. Our Senior steering committee provides strong guidance and it sponsors many activities to involve all of our seniors. This year the committee has organized the Senior Prom. According to Brian Saffee it was hard work getting the Prom organized but it was worthwhile. This year's en-

gineers are as follows: president, Brian Saffee; vice president, Sandee Sedwick; treasurer, Mark Gressell; and Secretary, Laura MacKay. Brian hopes they have a successful year. Laura, Mark, and Sandee feel the things most remembered by the class of '84 will be the Prom, the great football season, and, of course, graduation.

Golden Scholars

The Daughter of The American Revolution Award

The Daughter's of the American Revolution Award, also known as the DAR Award, is based mainly on good citizenship. The recipient must be a dependable, co-operative, truthful person. The scholarship committee reviews the student's loyalty, punctuality, service, courtesy and consideration of others are taken into account along with the ability to assume responsibility. Congratulations to Marilee Johnson, whose patriotism and loyalty to American ideals has earned this award.

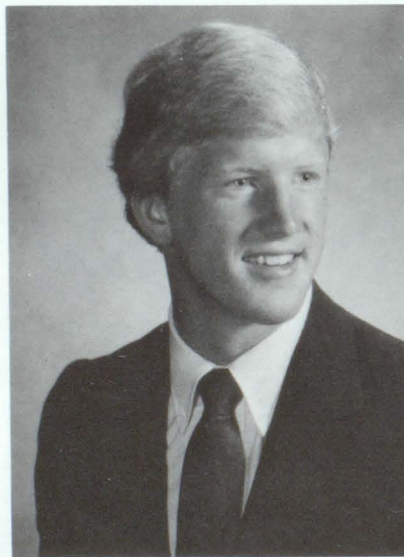

Danforth Awards

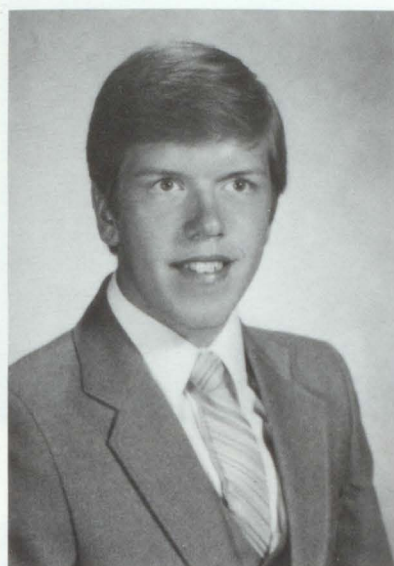

Steve Palmeteer and Wendy Heim have been selected as this year's recipients of the Danforth Awards. Steve has been very active in clubs and sports throughout his high school years. Wendy has been active in activities and clubs. She has also been on Vahallas for two years.

A young man and a young woman are chosen by a faculty award committee. These students are accepting the challenge of being mentally, socially, emotionally and religiously developed.

These seniors will be awarded the book, I DARE YOU.

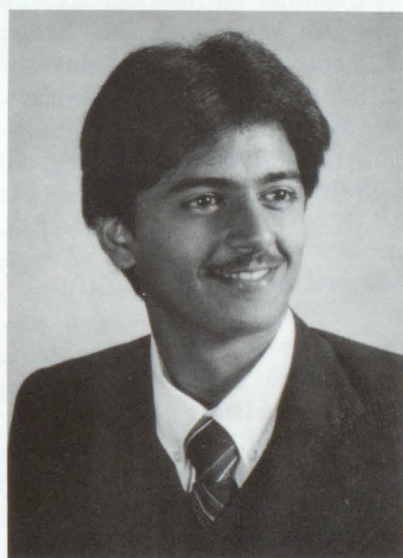

Strive for Awards

American Legion Awards

Leadership, courage, honor, patriotism, and scholarship are the qualities which represent the American Legion Award. Each year this honor is awarded to a young man and a young woman from the graduating class who exhibits these characteristics. Alan Collard and Amy Wedge were chosen by a faculty award committee. They each have been active in clubs. Amy has also been very active in sports.

The Calvin Moulton Awards

The prestigious Calvin Moulton Award is given to the young man or young woman from the senior class who has been deemed the most active participant in school activities. This person must also display leadership qualities. The faculty awards committee has chosen Lisa Stevens as recipient of this award. Lisa has been a cheerleader for four years, captain for one year and co-captain for another. She has also been active in various clubs and activities.

Bausch Lomb Science Awards

Dar Vyas is the recipient of the Bausch Lomb Science Award for excellence in his course studies in science, and his personal interview with the science department faculty.

Honor Is Not Won, It Is Purchased By Hard Work

VALEDICTORIAN

It takes many years of consistent work to be among the top academic students in high school and the competition is tough. Theresa Stewart has earned the highest rank and is given the title "Valedictorian."

Theresa has been involved in many extracurricular activities. She

has been a member of National Honor Society, Cheerleading and Valhallas. She has helped her class by being a member of the senior steering committee and working on this year's float.

Theresa plans to attend Michigan Tech. after graduation. Her major will be in Computer Engineering.

SALUTATORIAN

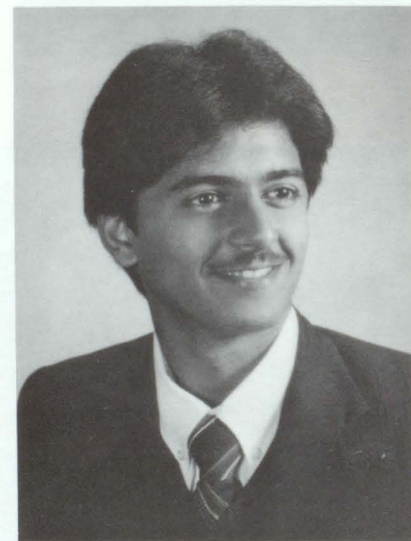

Salutarian is the title given to the individual who is able to achieve the second highest rank in the entire senior class. The 1984 Salutarian is Dar Vyas.

Dar has been involved in many activities in his school and community. He has held the position of Editor-in-Chief of the Amplifier for two years. He also had a leading

role in this year's Senior Play, "Night of January 16."

Outside the walls of the school Dar has been involved in such organizations as Medical Explorers where he presides as president, was a Hospital Volunteer, and was also a Health-O-Rama Volunteer.

After graduation he plans to attend the University of Michigan. He will be majoring in Pre-Med.

AMPLIFIER

Alan Collard and Dar Vyas have been chosen for the Amplifier Co-Editors Award for 1984.

Mr. Schmorrow stated that Dar Vyas has knowledge of the complete operation of the paper. He has expressed a lot of leadership throughout the school year.

Alan Collard has been considered as the Amplifier's technical expert. "Alan's creativity and imagination have been his strong points in leading the Amplifier Staff," according to Mr. Schmorrow.

The Yearbook Staff is proud to honor Alan Collard and Dar Vyas for their award.

1984 VIKING EDITOR AWARD

The editor of the 1984 *Viking* was Debbie Cristick. This two year veteran has worked diligently and tirelessly this year. She has been diplomatic, yet demanding of her staff. She is well-liked and well-respected by all who work with her. Her pride in workmanship is exhibited by very few students, and she does not leave a job undone. Congratulations to outstanding yearbook senior - Debbie Cristick.

Four other seniors have made significant contributions to the yearbook.

Debbie Brower:
Craine-Williams
coordinator

Ann Ellis: Advertis-
ing Manager

Mark Haas: Chief
Photographer

Brad Socha: Senior
Editor

These students have worked diligently meeting deadlines and coordinating arrangements. Without them the book would not have been possible.

Class Song

Free: By Prince

Don't sleep until the sunrise
Listen to the falling rain,
Don't worry 'bout tomorrow
Don't worry 'bout your pain,
Don't cry unless your happy
Don't smile unless your blue,
Never let that lonely monster
Take control of you.
Be glad that you are free
Free to change your mind,
Free to go most anywhere, anytime
Be glad that you are free,

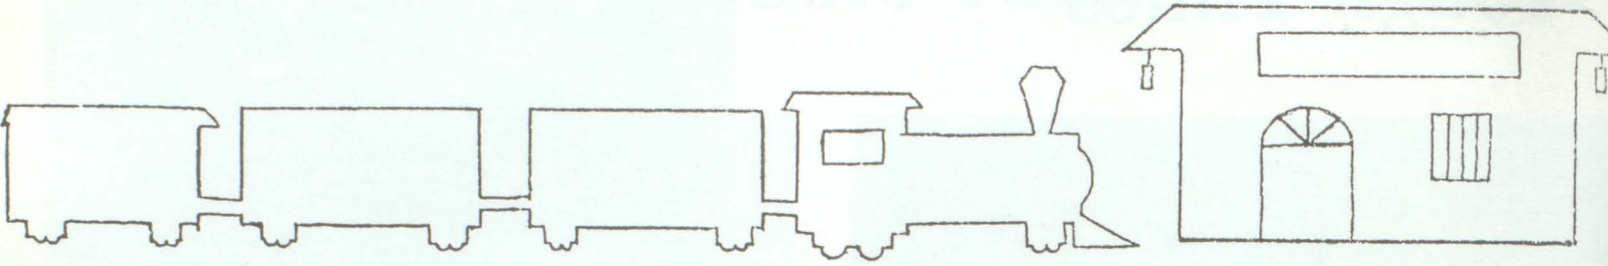

There's many a man whose not
Be glad for what you had,
Baby what you've got.
I know your heart is beating
My dream tells me so,
But if you take life for granted
Your beating heart will go.
So don't sleep until your guilty
Cause sinners all are we
There's others doin' far worse than
us. So be glad that you are free.

Yearbook Locomotivates

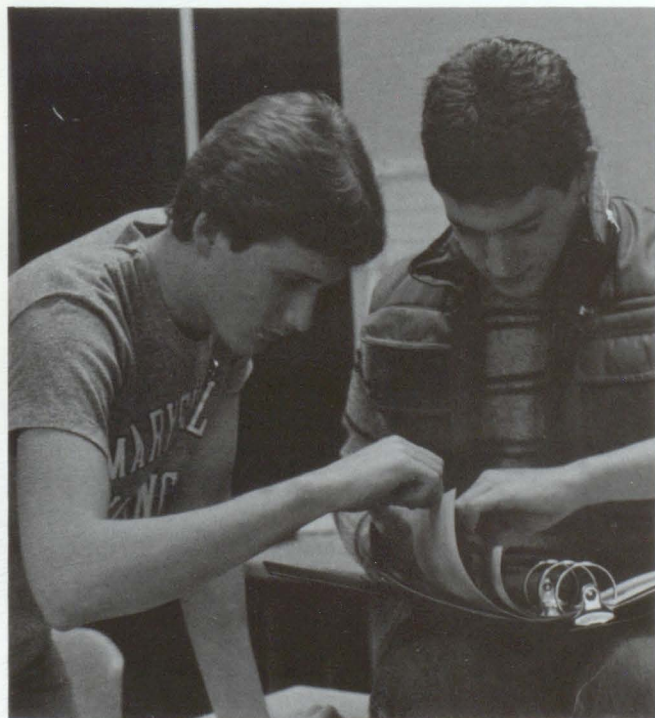

Staff Seniors: Mark Haas, Chief Photographer; Brad Socha, Senior Editor; Debbie Brower, Yearbook Representative; Debbie Cristick, Editor-in-Chief; Laura Mackay, reporter; Ann Ellis, Ad Manager.

This year in yearbook class, the staff accomplished many things. They sold ads, books, and found patrons and sponsors as fund raisers. They also combined their talents to create the 1983-84 "On the Right Track."

When asked about this year's accomplishments Mrs. Kiefer's main concern was financing the yearbook, and the decline in yearbook sales.

She feels that the staff made a tremendous effort in seeking out advertisers, however ads cannot be the total financial base. She went on to say, if there were no ads, the book would cost \$24.00 a book. She feels the \$13.00 price is a bargain. She hopes that the students will appreciate the hours of work by the entire staff. The students should purchase books throughout their school career not only to support the book, but to insure a book for every senior class. Finally she said, this year's staff has tremendous potential and talent.

1. Kelly Hamblin gathers pictures to use on his pages.
2. Rob Lange and Don Mack select negatives for a sport spread.
3. Photographers, George Forton and Tom Parniski, creep out of the dark room.
4. Yearbook Advisor, Mrs. Kiefer shares some thoughts with staff on the next layout.

The Amplifier in Progress

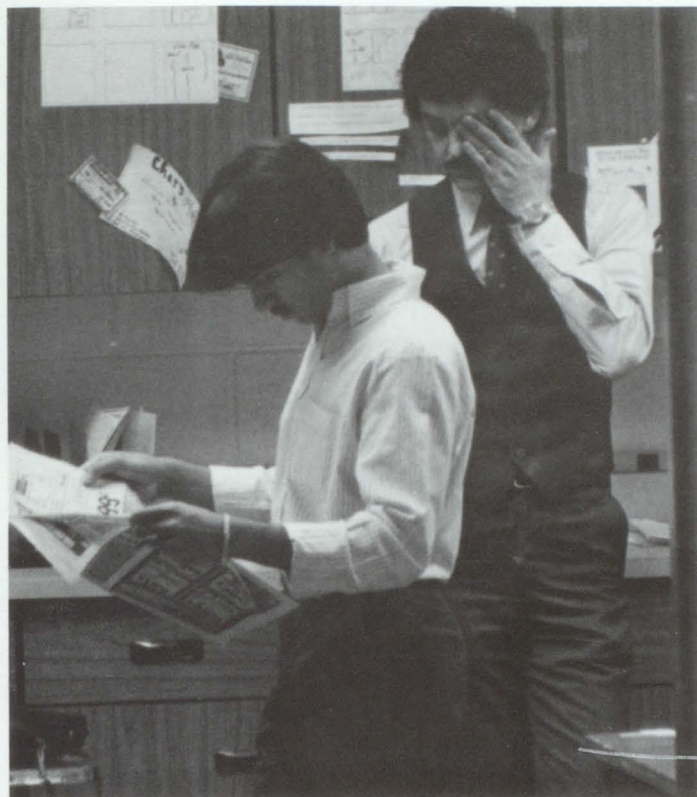

The Journalism class has been very busy working on the production of the *Amplifier*. Mr. Schmorrow said, "This year, the class has been much easier due to the computer." He went on to say, "Less time has been spent on menial tasks of dummyming, proofing, avoiding typos." "This time can be better spent on covering stories and the creative aspects of journalism." He cited seniors Dar Vyas, Allan Collard, Craig Frizzle, and Jamie Johnson for the work they have put into the paper. He feels the following underclassmen: Michelle Sanders, Ron Hart, Dave Schmorrow, Pat Maday, Rhonda Smarch, and Jennifer Drake will provide a capable and experienced base for the next year's staff.

Top Row: Steve Maday, Kim Sabb, Rob French, Ellen McLean, Mark Gressell, Jamie Johnson, Stephanie Fody, Michelle Sanders. Second Row: Jennifer Drake, Rhonda Smarch, Roger Smarch, Gina Sampson, Lisa Stevens, Craig Frizzel. Bottom Row: Stephanie Barss, Allan Collard, Mr. Schmorrow, Dar Vyas, Pat Maday.

Student Council is the representative body for the students of MHS. Members are elected from each class by their classmates. The council provides social events, fund raising activities, and student exchange programs for the school. The council meets during school hours under the direction of Mr. Charles Andrews. A major success of this year's student council

was the homecoming festivities. The council coordinated the spirit week, the float judgments, the halftime activities and the after-game dance.

They have also contributed to the school's social calendar this year by hosting dances after the basketball games. The council had fun doing community services. A big dance-a-thon, which was held in the spring, helped

raise funds for the Muscular Dystrophy campaign. Student council also sponsored a food drive for the needy in December of 1983.

The purpose of student council is to help the school and community. The officers for this year were President, Lisa Stevens; Vice President, Debbie Knapp; Treasurer, Becky Brown; Secretary, Audra Ulrich.

The National Honor Society, consisting of thirty-one members; is an elite group of scholars. These members have worked for high grades throughout high school.

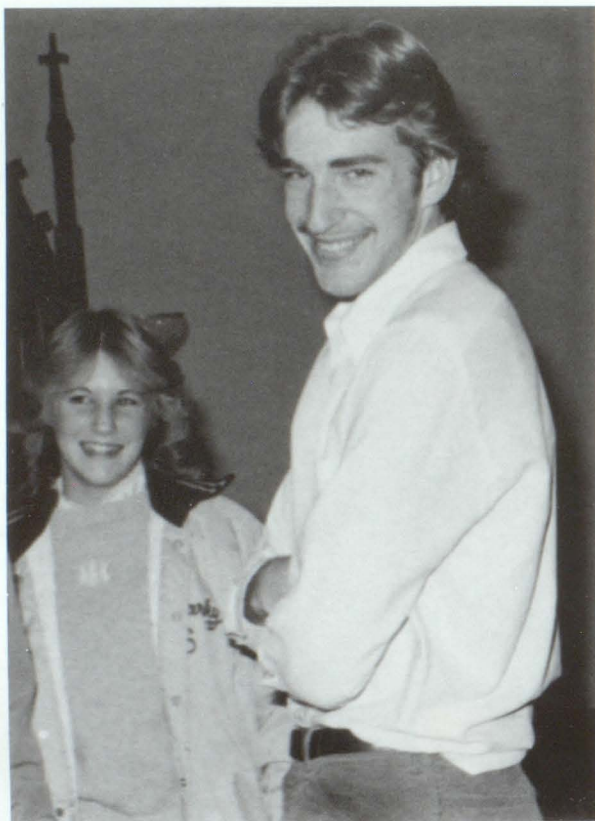

To qualify, a sophomore must have a 3.5 grade point average with no C's. A junior must have an average of 3.4, and a senior must maintain an average of 3.3. On this system a B equals three points and an A equals four points.

Mrs. Gorham, advisor, felt the NHS is very helpful to students. She says, "It is something for them to work for and it's helpful in college and their careers."

1. Pat Lepak leads a class discussion.
2. Miss Fedraw and Marcie Barber discuss an important slide specimen.
3. Jeff Steinhaus prepares for the hard job of teacher's aide.
4. Jim Miller is interested in a class presentation.

Campus Life Moves On

3.

4.

What is Campus Life? It is the high school club division of "Youth for Christ." C.L. a non-profit organization, emphasizes a "balanced philosophy of life" for teenagers. The typical club meeting often features open discussions on dating problems, stress, mental health, peer pressure, or parental problems. Campus Life also provides a social outlet for Marysville teens.

At the end of the meeting there is a get-together where the teens can socialize with other members from not only Marysville, but also Port Huron and St. Clair schools. A varied menu of snacks is served too. Campus Life enjoys an annual bike trip. Last year the group went to Mackinaw Island. They also go to Florida in the spring time. Campus Life meets at 7:00 on Mondays at member's homes.

2. John Heath, Jason Lawrence, Don Greenhoe, Loretta Gardner, and Walker enjoy themselves while traveling through the jungles of Campus Life.
3. Sue Golubinski and John Kreidler have a chance to socialize before the meeting starts.
4. Walker Archer is the Marysville area Campus Life leader.

As an important fund-raising effort Travel Club has been very busy this year selling candy bars for fifty cents each. The club first hoped to go to Chicago with their proceeds but Mrs. Butler said not enough people were interested in that location. She feels the club might visit Wonderland in Ontario, Canada instead. The Travel Club advisor is Mrs. Butler. According to Travel Club member Diana Leaym, Miss Butler has done a good job working and keeping the club together, even though the club was cancelled for a short period. This year's Travel Club officers are President, Marcha Hoeghter; Vice President, DeAnna Thompson; Secretary, Lori Smith; and Treasurer, Jody Smith.

4. Tony Baines is beside himself on Halloween Day.
5. Chuck Klettner and Mark Hondzinski sit back for a picture in one of their classes.

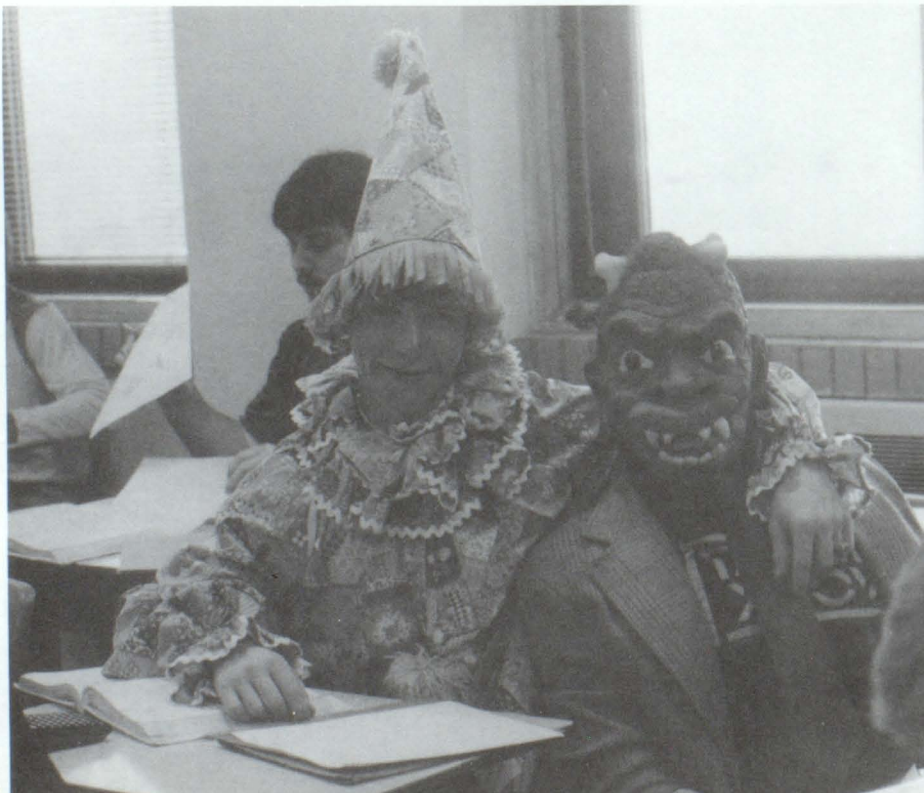

The second annual Student Council Coming Home week was again a success. The festivities featured a week of fun and excitement.

MHS Coming Home is similar to Home Coming. Instead of selecting a queen and her court, a king and his court is chosen. This year's king is Steve Palmateer. He was crowned Friday, February 10, 1984, during the halftime of the Marine City-Marysville basketball game.

Throughout the week a spirit contest was held. Each day had a special theme. Monday was Music Day; winner Michelle Bossardet. She was dressed as Culture Club's Boy George. Tuesday was Back-off Day; winner Sandy Sedwick. She won the most spirit pins from the boys. Wednesday had everyone in sweatsuits. The winner for Sweats Day was Beth Brock. Halloween Day was Thursday. Winner: Sandy Sedwick and Melanie Leavitt. And Friday was Blue and White Day. Winner: Tony Baines.

According to the sponsors, Mr. & Mrs. Elsholz, the Junior Prom was very successful. They felt the gala occasion went very well as seventy-six couples danced to the music of "Triple Play". The dancers enjoyed cake and punch and as they socialized the evening away.

Even though this was the first prom held at Washington, it was very well organized. This year's table favors, small vases of lavender roses, were made by Char's Flower Shop, and Northland Gardens. These decorations were organized by: Karen Wronski and Brenda Reuba. Junior class president, Jane Groinac, oversaw the selection of the band and theme. Kim Sabb, was in charge of the gym decorations. Diana Leaym co-ordinated the refreshments. Seven sheet cakes were graciously donated by Mrs. Leaym. The invitations and programs were done by Marcie Barber and Rob Lange.

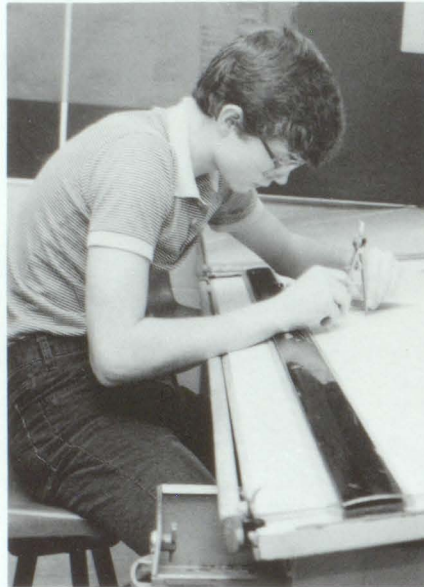

The Junior class would like to thank the chaperones Mr. & Mrs. Grosser, Mr. & Mrs. Andrews, Mr. & Mrs. Houck, Mr. & Mrs. Gorinac.

Under the instruction of Mr. Don Jarchow; Flag Instructor, Mrs. Althea Jarchow; and Drum Major, Marilee Johnson, the 1983 Viking Regiment had a very successful year. Their activities included participation in all high school football games, and presentations of Christmas and Spring Concerts. They also had Band Concerts. The band had a great deal of year-round experience by marching in various area parades. They were a featured attraction in Marysville's Memorial Day Parade and Port Huron's large Blue Water Festival Parade. They also spanned our international borders by participating in the Sarnia Christmas Parade. They finished the year out by playing for the Marysville Christmas tree lighting Ceremony. As a special treat the band takes a trip to Cedar Point every summer.

The band's drum major is second in command only to Mr. Jarchow. She has been with the Marysville Band for her entire high school career. In recognition of her accomplishments Marilee Johnson was named most spirited player. Debbie Currie said she especially liked the people in the band this year. She went on to say, "Everyone really works together with pride and enthusiasm to put on the best show possible." Mr. Jarchow replied that he likes the size of the band and their dedication and willingness to be the best they can be.

Concert Band has well represented M.H.S. this year. The band has performed in the District Band Festival, our Spring Concert, and in downtown Port Huron around Blue Water Festival time.

The group's program features a variety of music, everything from Pop, Rock, to band classics and marches. "Individuals have made the difference this year," Mr. Jarchow stated. He added that students work harder and as a result they are better musicians. Also, according to Mr. Jarchow, the band director, the quality of the program has increased recently. A special spirited group of players, pep band, has performed this year at pep assemblies and performed at pre-game for varsity basketball. This group consists of students from concert band.

The students this year in Concert Band were more aware of what it takes to produce a good band, and they have worked hard to achieve it, explained Mr. Jarchow.

Mr. Jarchow has taught at Marysville High School for five years. He taught one year before that in the Intermediate School.

A Trial That Switches Tracks

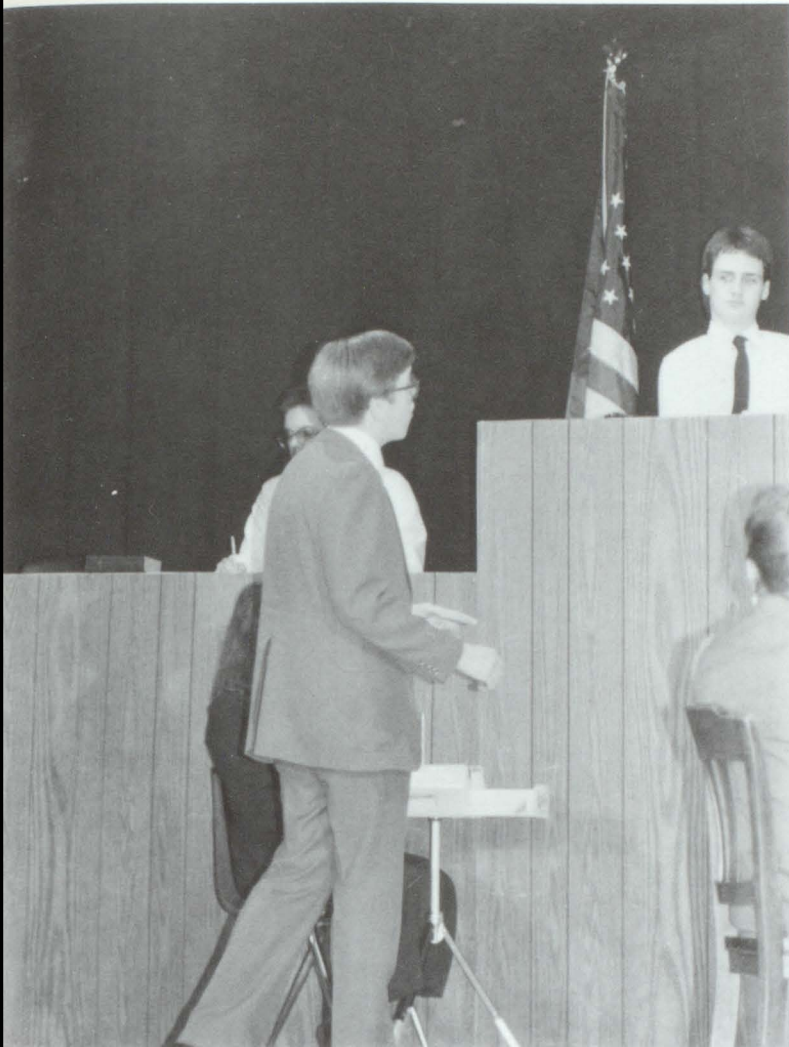

Top Row: Kim Anderson, Ted Briggs, Lora Coggins, Sandee Sedwick, Brad Socha, Paul Gilbert, Jeff Steinhaus, Alan Collard, Steve O'Mara. Bottom Row: Director; Miss Butler, Amy Wedge, Dar Vyas, Marilee Johnson, Cathy Braden, Kim Heise.

This year's senior play was a comedy-drama entitled "Night of January 16th." It dealt with a famous murder trial. The play followed actual American court procedures, making it "highly educational". The court's jury was selected directly from the audience, who rendered an honest though unplanned verdict. In fact different performances produced different endings.

The director was Miss Beverly Butler. She enjoyed directing the play and said, "I enjoy giving students the opportunity to use their talents in producing the Senior Play. It is very rewarding watching teenagers develop their abilities by appearing in front of an audience. I believe that the senior play is a valuable experience, not only for the people who participate on stage, but also for the off-stage workers."

1. Jr. Varsity Valhallas await their performance time.
2. Varsity Valhallas perform at football games.

Forty-one girls participated on the Valhalla teams this year. Judy Menzel coached the twenty-four member varsity squad. Miss Menzel said she enjoyed coaching because, "I see a lot of growth in the girls. When they walk in the room they are twenty-four different people, when they perform, they are one."

Sandee Sedwick, a four-year veteran, was the captain of the varsity squad. Co-captain, Melissa Flynn, also a four-year veteran, enjoys leading the varsity squad. She said, "I like the satisfaction of a good performance. I'm especially happy knowing every one likes the routines." She also likes all the new friends that she made.

To qualify for the Varsity squad, the girls must learn a prepared routine and perform it. Then they must create their own routine and perform it. The athletic abilities of the girls are difficult, also. They must kick as high as their head and be able to perform the splits.

The Varsity squad performed at two football games, all home basketball games and appeared in parades with the band. On January 28, they performed at the Mid. American Pom-Pon regionals at Clintondale High School in Mt. Clemens.

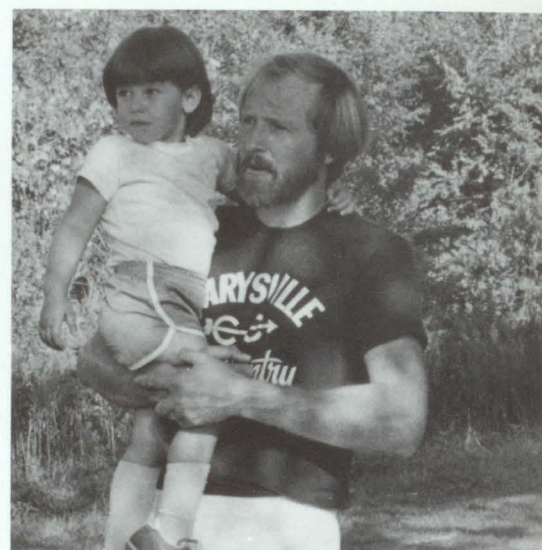

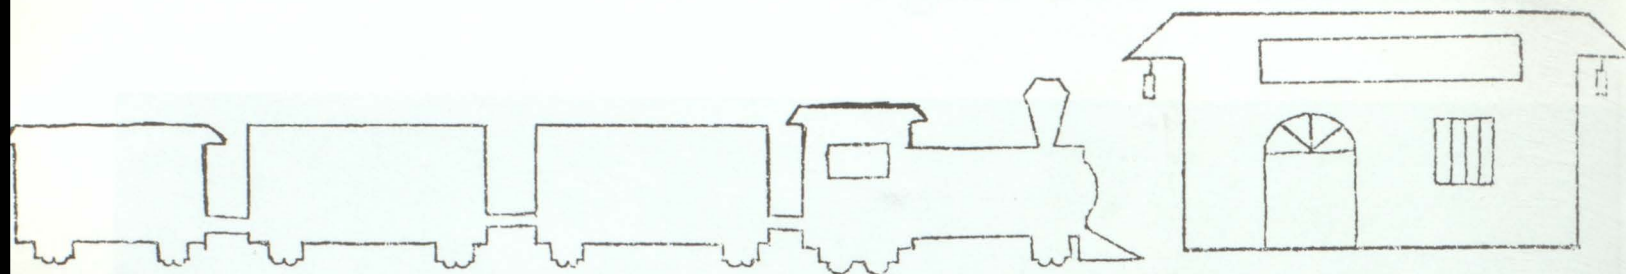

Top row: Beth Brock, Michelle Will, Tracy Hija, Tammy Stadalnikas, Jill Cowley, Shelley Cox, Mary Mack, Kelly Flynn. Administrators

Mr. Wiltse first attended the University of Michigan and from there went on to further his education. After college he was principal at a Jr. High school in Brown City. In 1966 he was a principal at M.H.S. for one year. In 1967 he became Administrator for Marysville and has held that position for 17 years.

Mr. Pake attended Central University and spent some time in the Army. He taught business class at Marysville High school for 10 years and was a coach for J.V. Football. He has been the assistant Administrator for 17 years.

Mr. Grosser has been at Marysville High School for seven years. He taught history at Kalamazoo Central High School. From 1962 to 1970 he taught at Matawan High School where he was head football coach for seven years.

Mr. Andrews has been the assistant principal for five years. He attended Western Michigan University where he was in Varsity Football for three years. Before he came here he taught at Portage Northern High School where he was an active participant in sports. He was the head football and weight lifting coach.

The Marysville Board of Education is made up of citizens, who are elected to these positions. Our current board consists of Lou Schmorrow, Robert Miller, Larry Eagen, George Gordon, Iris Rymers, Shirley Bellow, and Don Steele. Ronald Wiltse and George Pake are administrative representatives to the board. Marie Knuth is the board secretary. They all have different duties, but they work together to help maintain the high quality of Marysville schools.

The main function of the board is to make policy and insure it is enacted. They take in concern the needs of teachers, administration, citizens, and uppermost the needs of the students.

Chairperson Schmorrow feels that the strongest point of the current board is their ability to create a policy for the benefit of the students and the people of Marysville. He further feels they carry that policy out so it works in harmony.

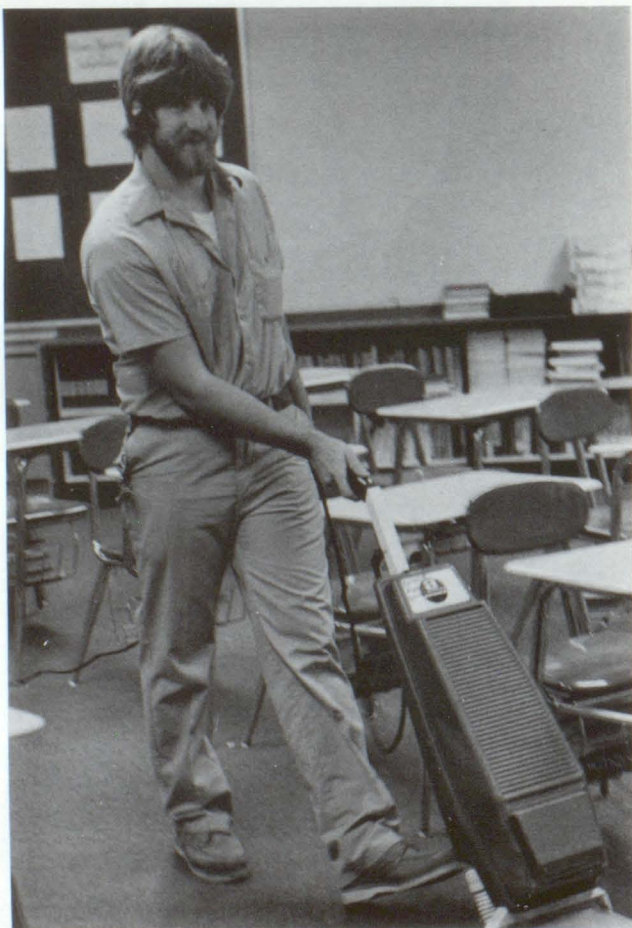

1. Robert Miller and Iris Rymers are experienced board veterans.
2. George Pake pays particular attention to the financial aspects of maintaining our school system.
3. George Gordon takes a few notes during a break in the discussion.
4. Ronald Wiltse submits a proposal for board approval.
5. Mrs. Bellows and Mr. Eagen carefully review a proposal prior to discussion.
6. Chairperson Schmorrow and Mr. Steele share opinions during a review of the minutes.

Our school runs very smoothly through the efforts of many special people. The cooks, bus drivers, and custodians spend many hours each week making MHS a better place to work and play.

This year, the cooks went out of their way to improve the lunches and to give the students more variety. A student could have bought a complete lunch or, if he preferred, he might have purchased a combo. A combo has larger portions than the normal lunch, but they are still nutritious. If a student was a salad lover, for a reasonable price, he could have created his own salad from the MHS salad bar.

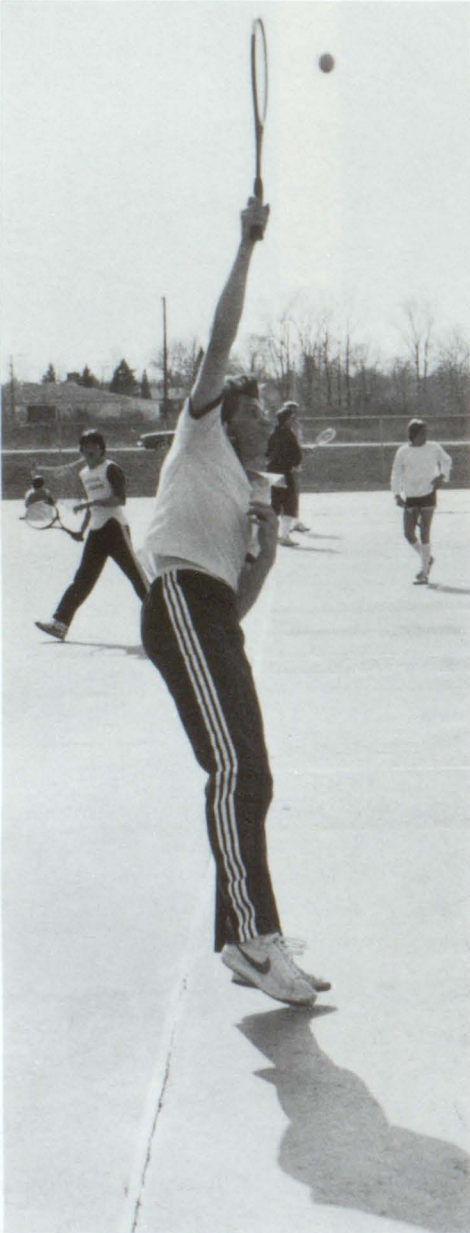

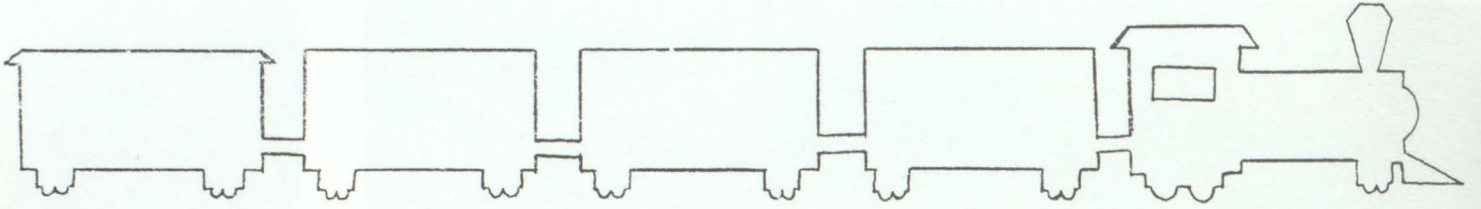

How many students that ride the bus to school really appreciate the time and effort put forth each year by the Marysville bus drivers? These drivers had to learn how to operate the buses correctly to insure the safety of the students and themselves. They also provide clean and

comfortable transportation to and from school, whether it be in the rain, sleet, snow, or sun.

Cleaning the school was a full time job some one had to do it. Throughout the year, including the summer, the custodian staff goes through the school from top to bottom repairing and cleaning and making MHS a cleaner place to come and learn.

Harold McKinnen, a favorite custodian, has worked here for nineteen years. Unfortunately, he will retire with the class of 1984. Harold said that he has enjoyed working here at Marysville High School and he was kind of sorry to leave. Harold said that the best thing about working at MHS was the kids. He plans to spend his winters in Myrtle Beach, South Carolina. On behalf of Marysville High School, the Viking Staff wishes Harold the best of luck during his retirement.

Swimmers Take the Lead

4.

The 1983-84 Marysville swim team was coached by Mr. John Hurley, a newcomer to the Marysville Athletic Department. Even though it was his first year coaching the MHS squad, he had a very successful season.

According to the freshman MaryAnne Williams, "Our toughest meet was against Notre Dame High School." Marysville lost that meet by one point.

Captain, Mike Naylor reported that school record breakers this year were, freshman Ron Howard with a backstroke and butterfly record. Senior John Creamer also made the books with his breast stroke and 20 IM record.

The record-breaking relay team this year was Ron Howard, Ron Hart, John Creamer, and Mike Naylor. They hold the 20 IM relay, and 400 free relay top times.

The swim team had the best record compared to all of Marysville's winter sports.

"The fans made a big difference this year," according to the captain of the 1984 boys' varsity basketball team, Jim Miller. He and co-captain, Mark Rice felt the fans picked-up the enthusiasm of the entire team. They both feel Marysville's school spirit has been a deciding factor in the close games.

"Jim Miller was the most valuable player and also the tallest," said Mark Rice. Mark also said the most improved player was Roger Martin. "Roger seemed to show

even more skilled talent than last year," commented the co-captain. Both captains agreed that the team which gave Marysville the toughest challenge was Cros-Lex. Mark went on to say, he would better the team by having them work together. This year he felt too many players worked as individuals. Next year will be even more successful with unity. But all in all, both Jim and Mark have good feelings towards this year's team and in particular they loved the Viking fans.

This season makes Mr. David Schmorrow's second year as Girl's Varsity Basketball Coach. In the past years he has coached the Girl's J.V. team.

"This team had many good players," stated Coach Schmorrow, but, he went on to add that the team needed two or three more girls to round out the roster, to make it balanced. Mr. Schmorrow said, most of his opponent's teams did not have players under six feet tall. Coach Schmorrow cited Ellen McLean, all-league player, as one of the most outstanding player's ever to play at Marysville. He further commented that Tracey Mertz was the smartest in basketball.

His parting thoughts were, "The team never gave up hope, they always believed that they could overcome any odds. They were much better than their record indicated."

J.V. and Frosh Basketball

According to Coach John Knuth the Freshman boy's basketball team had an outstanding year. Even though there were no stars on this year's team, the whole team worked well together. Tom Hormbacher and Jeff Smith were the leading scorers. Coach Knuth felt that this experience helped develop a special friendship between the team. Basketball also let the boys experience competition.

The fifteen girl team was coached this year by Mr. Czajka. It was his first year as a girl's J.V. Basketball coach, and he said that he enjoyed it very much. Mr. Czajka commented that he was impressed by the togetherness of the girls and that the girls learned to play as a team and to over-look differences.

This year, each girl had a chance to be captain at least once. The most improved player was Nancy Lasko and the most spirited was Lynne Jackson.

Top Row: Sue Denardin (coach), Kim Smith, Lisa Cobb, Tammy Schench, Sue Burns, Dawn Cubitt, Debbie Johnson.
Bottom Row: Tammy Nowicki, Denise Durcan, Audra Bray, Becky Ritter, Madeline Sampson.

The 1983-84 season was Sue Denardin's first year as a J.V. Volleyball coach. When asked, Miss Denardin said that she enjoyed coaching the girls. "Our major achievement was learning how to work as a team while striving for the first place in the league," she said. The girls also gained self-confidence and learned how to get along with each other, in addition to learning the basics of volleyball.

With captain Sue Burns leading them, the coach felt the team played their hardest match against Richmond. Even though the margin was slim, the team won 15-13; 15-13.

3. Monica Miller, captain really socks that volleyball to Imlay City.

Moves Along

2.

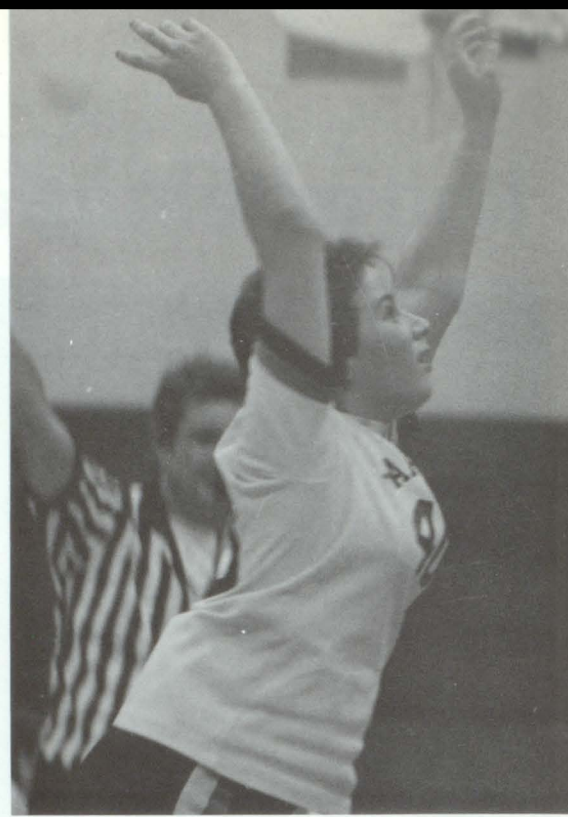

The girl's varsity volleyball team had their ups and downs according to captain, Monica Miller a senior on the team. She went on to say the volleyball team played well against St. Clair and Marine City, but their best game was against Cros-Lex which Marysville won 15-1. The team also worked well under pressure in some of the big games they played. The team record now stands at 8-9 which was better than last year's record, so the team has improved. The girl's toughest team was Richmond. They have two foreign exchange students on the team this year, Marian Bouman who started every game, Kirsi Lindstrom who really does well coming off the bench.

Whistle Stop! for Boy's Baseball

When asked to comment about last year's team, Coach Houck said, "We had an excellent combination of pitching and depth." And certainly so, due to the fact that last year's team took the S.C.A.L. championship, for their second year in a row. Among the stars of this team was the pitching of Dennis Delong. As a whole, the team was responsible for its 15-5 record. The only disappointment that the team faced was not going as far as they wanted to in district competition. In all, Coach commented that this year's team was able to meet its challenges and was a very coachable team.

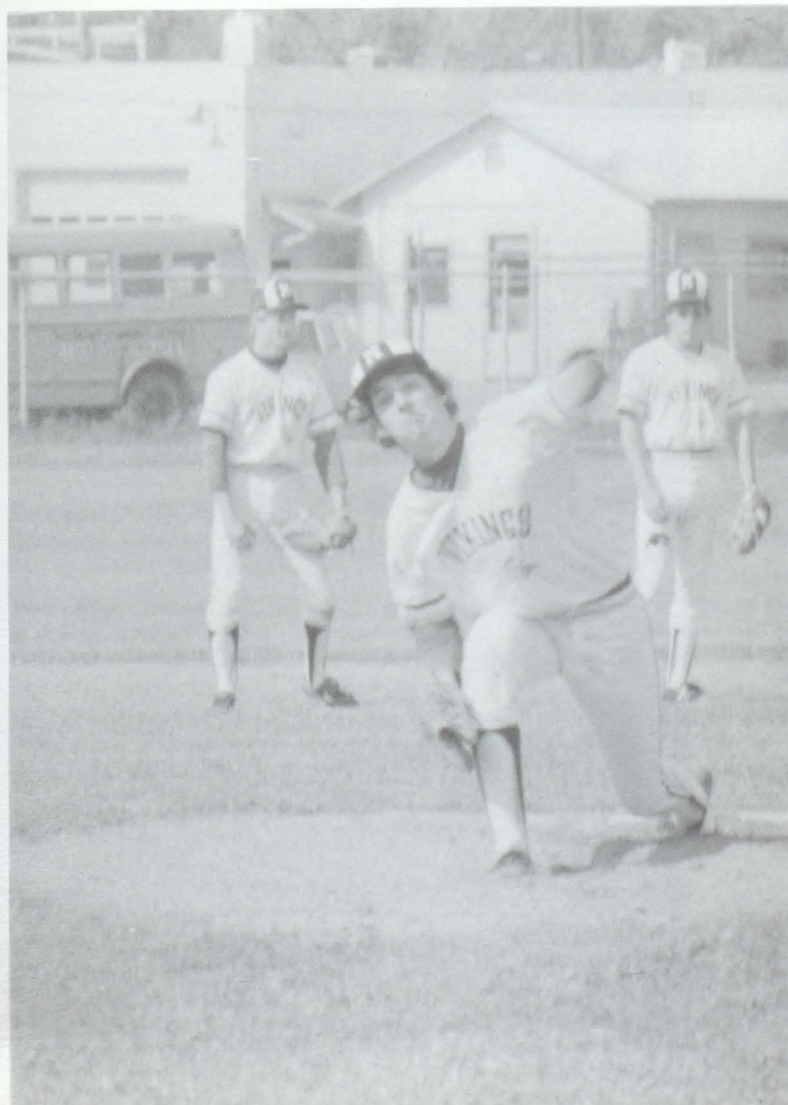

Top Row: Mr. Houck, Coach, Paul Kegley, Steve O'Mara, Dennis Delong, Mike Bennett, Kevin Taylor, Scott Smith, Dave Mckenzie, Cliff Bergdoll. Bottom Row: Dan Roehl, Mike Jaworski, Bill Butler, Scott Rogers, Jeff Hall, John Denardin, Tim Smith, Jeff Steinhaus, Glen Sturgis, Trainer.

Bottom Row: Trisha Green, Annette Czajke, Renee Mozal, Kristen Schwartz, Michelle Czajke, Marion Coutts, Tammy Schenck, Sue Burns, Lisa Balla

Coach Burns feels that this year's league was challenging and exciting for the fans. She is also aware that the quality of ball in the league is improving each year. In the end, this improvement has paid off. She said, "The girls practice very hard, giving time and effort." According to Coach Burns the team improved in individual skills. For these reasons she expects considerable changes for the better next year. Although the team did well, she commented that the wet spring had a big influence on the girls' performance. The weather was hard to practice in and it cut attendance at some of the games. In her opinion, however, their first game against Richmond gave the girls a chance to shine. When the girls competed with Saint Clair they seemed to exhibit their alertness. When Coach Burns was asked if there were any players that deserved special recognition she replied, "Softball is a team sport." According to her no one player can play a game alone and it is very difficult to select any special player. Coach Burns would like to see a fenced-in softball diamond for this team, but she is satisfied with the new diamond.

Coach Quinlan thinks that his baseball team was one of his best teams. It had great depth compared to his previous teams. He also stated in an interview that the team displayed a willingness to learn and that their attitude was excellent. "They pulled together and there were no hard feelings," he said. Coach Quinlan also said that there was not any one player that stood out from the rest. This was an eighteen man team, and at one time or another they all had good games or key contributions which led to the team's success.

4. Lynne Mozal graciously accepts the 1983 Marysville Invitational Champions trophy.

1.

Coach Venia felt the 1983 girl's softball team had a wealth of talent. He said, "All the team members played well, however a few players were outstanding. Pitcher Heidi McLane, catcher Lynne Mozal and shortstop Amy Sawdon made a particular contribution to the team.

Mr. Venia further commented that the team lacked overall depth, but it was very strong in pitching and defense. All of the girls had a great deal of self-confidence, not only in their individual abilities, but also in the ability of the entire team to work well. According to the coach, this confidence built a spirit of togetherness, and the strong desire to

win.

The team finished their successful season with a 13-1 victory against Ludington in the Class B state championship game in Midland. When asked if there were any extra pressures on the state playoffs, Mr. Venia said, "Yes, each team is expected to go all the way." He believes his team reacted well to these pressures and played exceptionally well in the State Semi-Final game. These pressures also affected the coach, Mr. Venia added, "The coach must be at his best each and every game."

Coach believes the girls received

more recognition throughout the state while they competed on the state level, as compared to a local level. He also thought the girls captured their State Championship as class athletes. "They worked hard for it and they deserved to win it," he said. Coach Venia added he felt the team should have won the title in 1982.

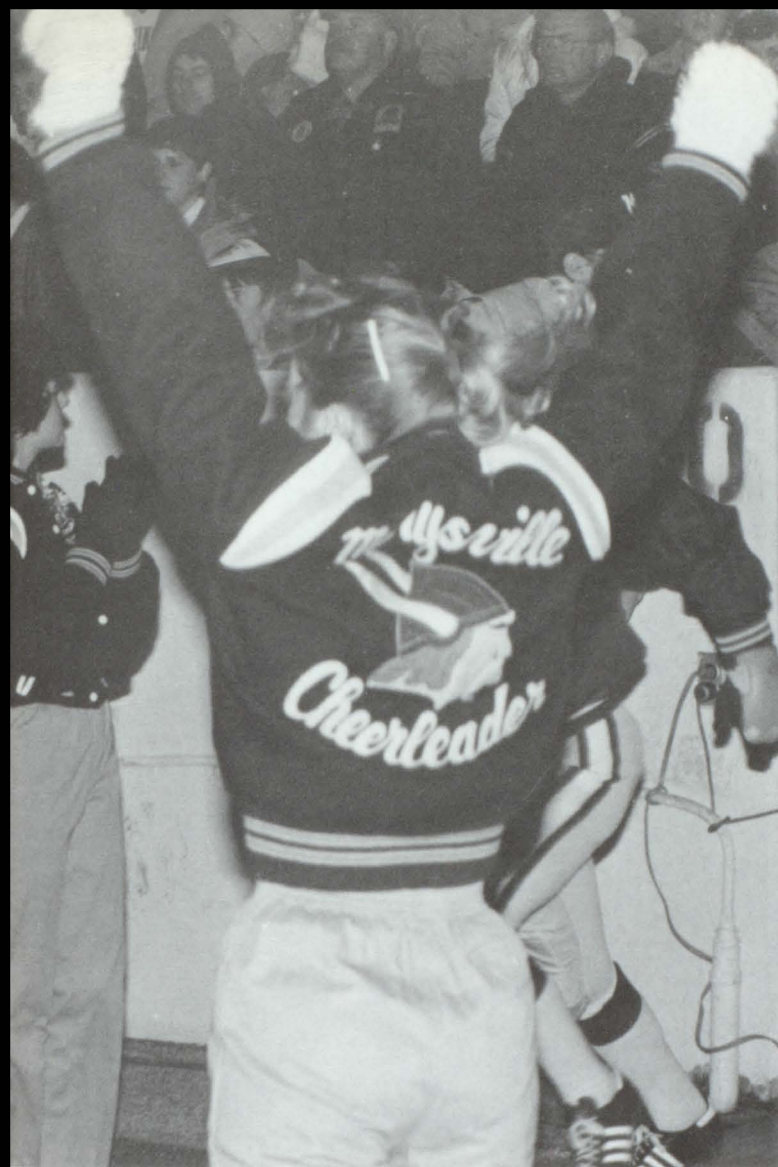

Finally, his expectations for the 1984 softball team are to win "One game at a time", he hopes the team will play every game to the best of their ability. Mr. Venia also said he would gratefully welcome another State Championship in '84.

More Than Cheers!

Front Row: Cathy Braden, Laura Mackay, Gina Sampson, Jill Gates, and Theresa Stewart. Back Row: Kim Heise, Lisa Stevens, Marci Cummings, Sherry Dazer, and Kris Hietikko.

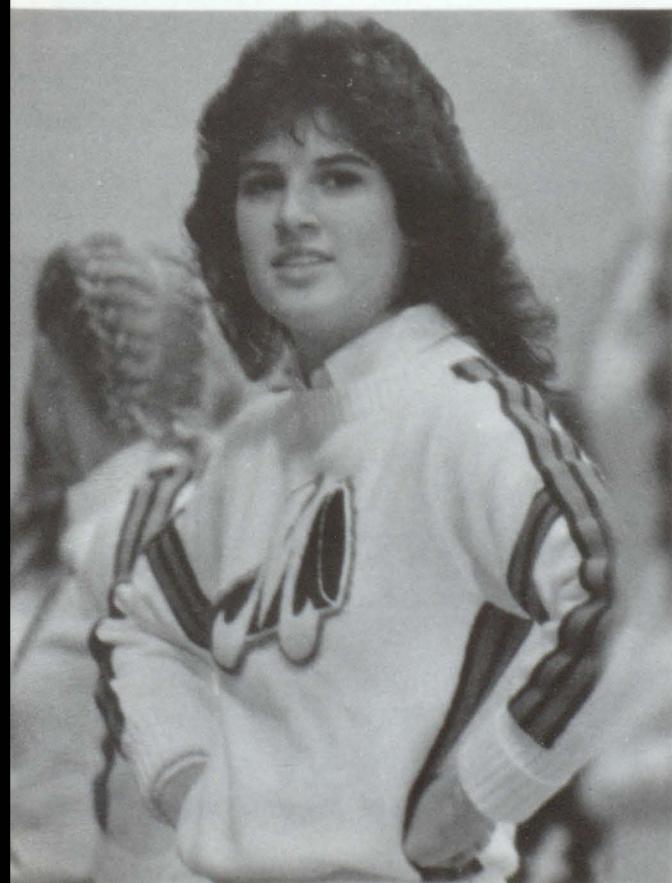

Jumps, stunts, chants, and cheers were just a few activities cheerleaders did to boost school spirit.

Each practice consisted of organizing new cheers, making locker decorations, planning pep assemblies. The girls also prepared snacks for the teams.

Cheerleaders raised money by selling carnations during Homecoming and by selling Christmas decorations.

Last year the varsity squad finished in sixth place in State Competition even though some mounts had been cut from the routine. This year the cheerleading squads will not be able to perform any partner stunts, this new ruling will make it especially difficult to win any competitions. Laura Mackay said she felt very sad to see this happen. She went to say many athletes at Marysville have shared the joy of competing at regionals and then have gone on to qualify for State Competitions. Lisa Stevens agreed with Laura, however the help of Ms. Sharon Badley the cheerleading spirit has been kept alive.

Boy's Track; Moving On Down

The 1983 boy's track team finished a successful season by taking first in SCAL. The Vikings went on to take first place in the Port Huron Relays, and in the Port Huron Northern Invitational. The boy's proved that they're on the right track with a league record of 6-0, and with an overall record of 8-0. The Vikings went on to capture first in the regional meet. While during the Husky Relays and the Marysville Invitational, the Vikings took second place.

The following Marysville athletes were named to the First All-League team: Troy Baker, Joel Bates, Greg Gkekas, Jim Grosser, Ron Johnson, Allan Kipp, Roger Martin, Jim Miller, Marty Newingham, Andy Nicknovich, Jim Pipe, Jim Phillips, Brian Siemen, and John Woods. An even greater honor was First Team All Area which was awarded to the following Vikings: Brian Siemen, Ron Johnson, Jim Phillips, Jim Pipe and Marty Newingham. Most Valuable player went to Brian Siemen. Ron Johnson received the Sportsmanship Award. The Cinderman Club is for members, who have attended every practice, scored in every Dual meet and they are, Joel Bates, Ron Johnson, Alan Kipp, Jim Miller, Andy Nickonovich, Jim Phillips, Jim Pipe, and John Woods. Many students may not realize it, but Boys' and Girls' Cross Country are two separate sports; Girls' and Boys' Basketball are two separate sports.

"Every Cross Country season is filled with surprises and conquests, and this year was no exception," stated Ron Hart, the Boys' Cross Country captain. Topper Stark and Dan Nurenberg were first team. All-Area runners were Topper Stark from first team. Topper Stark finished in All-State in twenty-eighth place.

According to Ron Hart, the Boys' Cross Country team realized that life still went on for them without Newingham and Johnson.

Boys' placed second in the Shrine, and Metro Invitationals. Next, they went on to capture the title at Marysville's Invitational. Later, they went on to place third in regionals which qualified them for the state finals where they finished twenty-third. But, the Boys' Cross Country team once again faithfully upheld Marysville's victorious tradition, with pride and honor.

Girls' Cross Country went really well this year. They had fantastic team performances and great individual performances. Amy Wedge, who was this year's Girls' Cross Country Captain said, "Our regional performance was the highlight of our season."

Amy went on to say individuals, like Wendy Everitt and Caroline Emigh made the difference between getting second. This year was the Girls' second year in a row for getting Regional Champs.

On this year's All League first team were Tina Schwab, Amy Wedge, and Helen Johnson. On

the second team were Carolyn Emigh, Rhonda Hart, and Wendy Everitt. Helen Johnson sparkled with placing sixteenth in State Competition.

The girls' most valuable runner which was voted by the team was Melanie Leavitt.

The Wedges, whether girls or boys have dominated both the Boys' and Girls' Cross Country team. Wedges have shown leadership ability which dates back to 1976 with Amy's brother Dave. From 1976 to 1983 a Wedge has been captain six of the eight years, which was very remarkable.

Girls finished first at Shrine Invitational, Metro, and Marysville Invitational. While the Boys' placed second in the S.C.A.L., the Girls' finished first.

Coach Patterson was both the Girls' and the Boys' Cross Country Coach. Coach Patterson has been coaching Cross Country for ten years.

He mentioned that one word that could be used to express both of his teams would be teamwork.

Runners are usually required to run between six and eight miles a day.

The Boys' record this year was 5-1, with the Girls' having a record of 4-1.

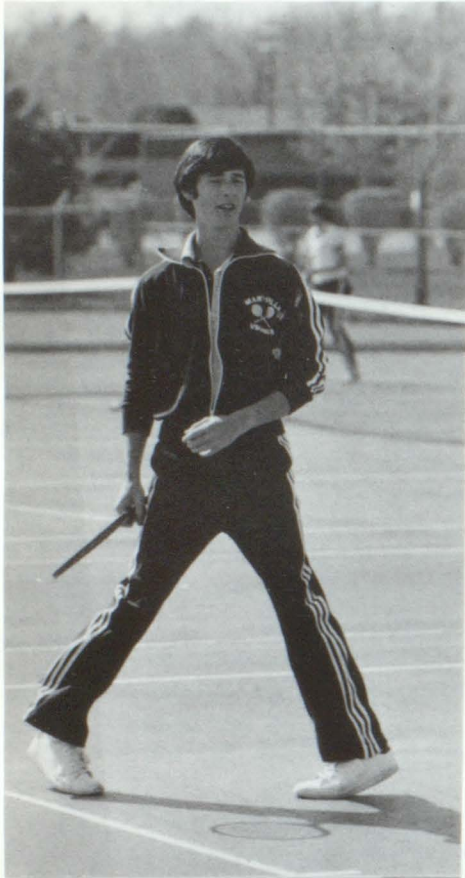

"Team records are hard to be broken," said Coach Patterson, "because the different courses made records difficult to maintain." "This year both the Boys' and Girls' proved that teamwork and effort can overcome nearly every obstacle," stated Coach Patterson.

Both the boy's and girl's varsity clubs worked hard selling cheese and sausage as a fund-raising event this fall. An estimated \$700.00 was sold. The Varsity Clubs' main function is to raise money for four-year awards, and championship patches.

Both Clubs strove to coordinate their activities. One of the goals was to organize a trip to a Tiger Baseball game.

This year's Varsity Club advisors were Mr. Grosser and Mrs. Burns.

The Boys Club was led by President, Steve Palmateer; Vice President, Dave McKenzie; Treasurer, Jim Grosser, and Sgt. of Arms, Steve O'Mara.

The Girls officers were President, Monica Miller; Vice President, Annette Durcan; Treasurer, Rhonda Hart; and Secretary, Amy Wedge.

Bottom Row: Steve Maynard, Scott Torrello, Dave Wilson, Jeff Badley, Dave Gkekas, Todd Robinson, Matt Wilton, Mike Wurmlinger, Henry Sobkowski, Todd Greenia, Scott Blanchard.

This year's J.V. football record was 8-1. Even though the team lost only one game, both Coach Houck and Jackson remarked that the team learned a valuable lesson. They learned not to underestimate any team. According to Mr. Houck the toughest game, of the year was against Port Huron. Even though the team had a lost to Richmond he felt Port Huron gave the Vikings the toughest challenge, the truest test. Coach Houck felt this team would fair well as varsity players. He said "They show a great deal of promise and would continue the winning tradition that the Varsity had the last few years." This year's captains were Dave Gkekas and Todd Robinson.

Bottom Row: Randy Socha, Matt Taylor, Kevin Quain, Jeff Ramsey, Pat Ropp, Andy Sanders, Mike Robinson, Jody Sharrard, Pat Truszkowski.

Coach Quinlan felt that this year's team improved greatly throughout the season. He felt the toughest games this year were played against Port Huron High and Port Huron Northern, both class A schools. Their single loss to the Port Huron Big Reds was a tough defeat however, due to this experience he felt the team played a much better game against the Huskies. The freshman football record was 7-1. Both Coach Knuth and Quinlan commented that they enjoyed working with the team, they felt the team was both coachable and well organized. This year's captain was Pat Ropp.

When asked to comment about this year's football team, Coach Braun said, "This year's team had outstanding talent; but above all they played as a team." He went on to say this was reflected by the performance of the 1983 football season, which ended with a 9-0 record in regular season play. He felt the team was also impressive point-wise, as the teams offense ranked-up a average of 41 points per game. The team's reputation continued beyond the city limits as both the Detroit News and Free Press elected Marysville as the #1 team in the state in Class B. Several players took many area honors. Steve Palmateer was elected to both the Detroit All-Metro team and the All-State team. When asked to comment on his many honors, Steve said, "I feel that it was not only my efforts that earned me those awards, but efforts of the entire offensive team." In addition to having this year's award winning team, Coach Braun won the All-Area Best Coach of the Year. This win was his second year in a row. The only major disappointment of this year's team was that they did not have the chance to participate in the state playoffs. The team missed that chance by only 6/10 of a point. When asked about this, all the coaches and many school faculty members agreed that the team, if given a chance, could have gone all the way to state finals in late November. All coaches replied however, that next year's team may be just as good as this year's and they should continue the winning tradition of Marysville for years to come.

1. Senior Tim Smith nearly evades a tackle, as an opposing player makes a diving lunge.
2. Coach Gkekas surveys his teams performance as the game continues.
3. Team members Eric Barden, Mike Naylor, and Todd Rann observe the games progress.
4. Varsity football players head for the locker room, at halftime.

RESOLUTION OF CONGRATULATION FOR THE MARYSVILLE VIKING'S HIGH SCHOOL FOOTBALL TEAM

WHEREAS, the Marysville Viking's Football Team has completed its third undefeated regular season in succession, and

WHEREAS, they were selected this year as the best Class B Highschool Football Team in the State of Michigan by both major polls, and

WHEREAS, inspite of this high ranking, through no fault of their conduct of their coaches, their parents and their fans has again brought much favorable acclaim to the City, and

WHEREAS, the City Council of this City desires to express its sincere congratulations and further to again express its great pride in your accomplishments.

NOW, THEREFORE, BE IT RESOLVED, that the City of Marysville, through its City Council does hereby express its most sincere congratulations for this your most successful season to date.

BE IT FURTHER RESOLVED, that this resolution be spread upon the records of the City Council and that a copy thereof be delivered to the Marysville High School Athletic Department to honor the best darn High School Football Team in the State of Michigan.

Adopted at a regular meeting of the Marysville City Council held on November 28, 1983

**When you look for a job,
they'll ask for experience.**

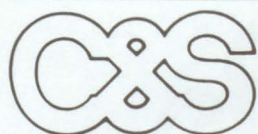

Whether you're headed on for more schooling or you're headed into the job market right now, one thing's for sure.

Employers are looking for experience.

When you look for a bank to begin handling your accounts you should ask for experience, too.

Experience means when you need a bank for more than saving and checking, they'll be able to handle your needs.

The bank with the most experience in St. Clair County is The Commercial and Savings Bank. We've been helping people and businesses continuously since 1871. That's experience!
